Retracted: Pathophysiology of Metabolic Syndrome

The Editor of the electronic Journal of the International Federation of Clinical Chemistry and Laboratory Medicine (eJIFCC) has retracted the article “*Pathophysiology of Metabolic Syndrome*” by Aganović and Dušek, which was published in eJIFCC. 2007 Feb 26;18(1):3-6 [1]. Upon notice from a reader, based on similarity index analysis, it was found that more than half the text is a copy of a previously published paper by Eckel *et al* [2].
